VIRGINIA LIQUOR TAX PAID STAMPS

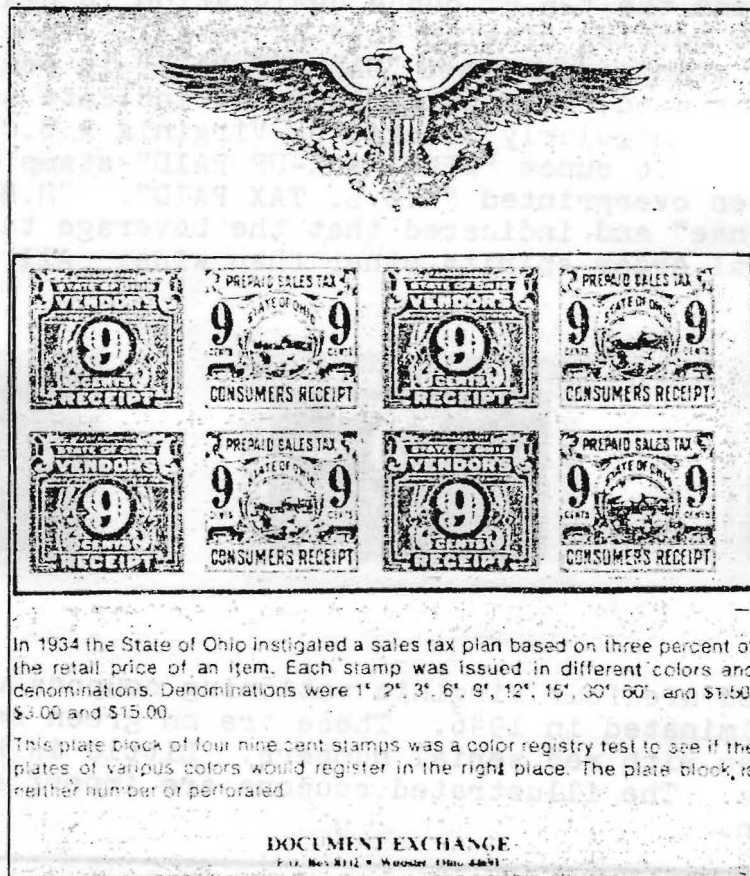

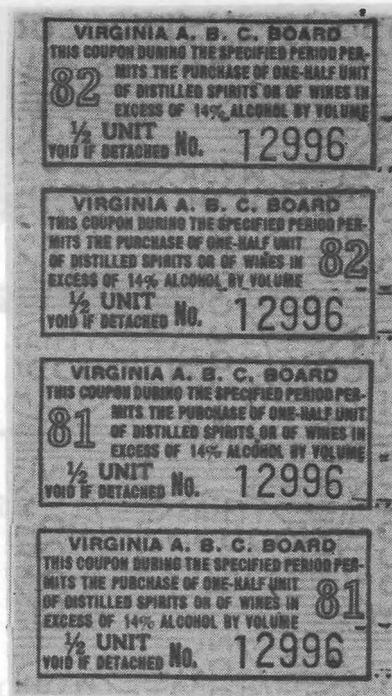

By Terence Hines

Illustrated are three different typws of Virginia liquor tax paid stamps. The one at left, inscribed "WINE MARK-UP PAID" is green with black serial number and the "25.6" ounce designation in black. These stamps are affixed to bottles of wine sold at retail. They were eliminated in 1973. The middle stamp, inscribed "MARK-UP PAID" is red with black serial number. It was used, also until 1973, to indicate tax payment on special order wines not regularly stocked by Virginia A.B.C. stores. The right-most stamp is a 25.6 ounce "WINE MARK-UP PAID" stamp (black serial numbers) that has been overprinted "M.B.L. TAX PAID". "M.B.L." stands for "mixed beverage license" and indicated that the beverage tax has been paid on a bottle of special order spirits other than wine. All these stamps are perf. 12.

Also illustrated are four Virginia rationing coupons used during World War II and eliminated in 1946. These are on green safety paper, printed in dark green with red serial numbers. Little is known about the use of these coupons. The illustrated coupons are imperf at the sides and rouletted 10 between.

Member David Sher sends along news of an Ohio tax receipt souvenir card. This card is available from Document Exchange, P.O. Box 8112, Wooster, Ohio 44691. One card sells for \$3; two for \$5. Add \$1 per order for postage and handling. The notice about this item originally appeared in the Bank Note Reporter for December, 1984.

The adjacent mattress tag was removed from an old wooden shipping box by member I.L. Pfalser. The stamp on the left is from the Division of Public Health of the State of Colorado. The register number is partly hidden but appears to be "172". The stamp at the right is severely damaged but is a one-cent value issued by the State of Texas.

The Colorado stamp is black on blue paper and the Texas item is a reddish-orange color.

Mr. Pfalser is interested in the source and significance of the hand-printed serial number near the bottom of the tag.

UNREPORTED DELAWARE BEDDING STAMP

The illustrated Delaware Bedding stamp is similar to Hubbard #BE2, but lacks the "Registry No." inscription found on BE2. Like BE2 it is printed in black on orange safety paper. It is perforated 12 1/2. The first Delaware bedding stamps were sold for \$10 per 1000 (1¢ each) starting in 1929. The fee was increased to 1.5¢ per stamp in 1955. The stamps were discontinued in 1976.

PREVIOUSLY UNKNOWN NEW HAMPSHIRE TOBACCO DECAL

The illustrated decal is of a previously unknown design. The only copy I have seen is used on a piece of a wooden cigar box. It is a 2¢ value in green. Can anyone report a better copy or other values in this design?

1984-1985 Yearbook Issue

Yearbook
1984-1985

SUBJECT INDEX TO THE STATE REVENUE NEWSLETTER

Whole Numbers 149-167 (1981-1984)

Compiled by O.R. Bloom

This listing for the years 1981 through 1984 continues the same format adopted with publication of the previous cumulative indexes in 1977 and 1981. Entries are confined to subjects only, although it is possible in these issues to identify the author or contributor, the expanded space required for such inclusion exceed that readily available. Similarly, no effort is made to list any doings of the State Revenue Society or any articles, editorials, or letters to the editor not directly concerning specific states or subjects.

Entries appear first as alphabetical listings by states, then again alphabetically by stamp usages. Local material appears at the end of the state listings. Because of different terminologies used in different states or different authors, it is wise to scan the entire state listing for pertinent material on a particular subject. This is especially true in seeking items on liquor taxation (variously listed under liquor stamps, liquor seals, beer and wine, etc.) and for any fish and game items (duck stamps, waterfowl, trout, fishing licenses, hunting permits, etc.).

Notation is by Whole Number and page: 167:72 refers to Whole Number 167, page 72.

Any errors or omissions in this compilation should be brought to the attention of the Editor so they may be corrected in future indexes.

The lists below are based on the returns mailed in by the members. A number of respondents stated they collected "all" then listed several states and areas in which they had particular interest or extensive holdings.

Members having items about which they have questions or a desire to learn more about a specific area are encouraged to contact members with an interest in that area. Often if a member does not know the answer to a question they will know what other SRS member does know the information desired.
